This book of memoirs is proudly presented to the student body of Lowell High by members of the "Spindle" staff who have worked diligently throughout the school year to make this "Spindle" a memorable and enjoyable souvenir.

Thanks go to the faculty and students for the enthusiastic cooperation that they have shown making this publication so successful. It is appreciated tremendously and will not be forgotten.

A special thanks has been earned by Miss Anna M. Ryan, "Spindle" Advisor, who, giving up her own time, worked hard and faithfully directing the staff. Without her assistance the year book would have been impossible.

The "Spindle" staff hopes that this book has captured and will retain many pleasant memories for "fifty-niners" in the years to come.

Class Ode

Melody: by GAIL CRAIG

As we journey through these portals
God give us power to see—
The Light of Hope, the Light of Truth
That burns eternally.
Instill us with courage,
To strive for the right—
And grant to us wisdom
To keep our honor bright

As we tread the well-worn path of life,
Direct our every thought
To keeping peace with fellow-men.
Thus God our life has wrought.
Democracy be paramount—
Equality our plea—
For as leaders of tomorrow,
We must keep our country free!

GAIL CRAIG

To the Graduates of 1959

No class graduating from a high school ever faced such a wide choice of opportunities as does the class of 1959. Advancing concepts in science, and instrumentation to apply these concepts will demand excellent attributes, as well as offer unparalleled diverse experience. To meet and fulfill these requirements we trust that you have learned to balance a vocation with occupation, work with pleasure, scholarship with experience, theory with practice, and activity with contemplation. In expanding the fabric of your lives we hope that you will satisfy the world's demands upon your abilities by attaining power from additional knowledge of every type essential to your proper progress.

Yea, Lowell — Yea, High — is the familiar sound heard from the vivacious and loyal cheerleaders led by their Captain Sandra Quinney, at every football game. Under the direction of Miss Bawita Lawler, the girls are selected from the freshman, sophomore, junior and senior classes.

The spirit and enthusiasm left by the 1959 Cheerleaders will be carried on.

"The Lowell High School Baton Twirlers" — undoubtedly the busiest and best known unit in the school, continue to spread the fame of Lowell High far and wide. This year they have made appearances in Brockton, Norwood, Quincy, Ashland, Agawam, Salem, Chelsea, Lawrence, Auburndale and Manchester, N. H.

The girls first became noted for their half-time football shows, but during the past several years twirling contests throughout the state have really made them famous.

During the 1958-1959 Fall and Winter season by their prowess with the baton they have won over one hundred and fifty trophies and medals. The Spring finds them in their beautiful yellow and white uniforms on parade at the State Music Festival in Belmont, in the Memorial Day Parade and in a fine exhibition of precision marching and twirling on Field Day.

Probably the most exciting contest is their own, which takes place early in May. There are four classes, Seniors, Juniors, two-year girls and first-year girls. They compete in solos, two-baton solos and doubles for gold, silver, and bronze medals awarded by Instructor Wilfrid T. Boulger.

Under the guidance of Mr. Boulger the Baton Twirlers have become a most colorful and important part of life at Lowell High School.

The class of '59 will never forget the dynamic Band under the direction of William J. Notini. Performances at football games, assemblies, music, festivals, concerts and parades mark them as one of the best in concert and marching bands in the state. We are proud to have three students on the all-state concert band, more than any other school in the state. Lowell High auditioned with many other high schools in the North Eastern Festival and was rated as an A band. Despite the talent lost at Graduation, Mr. Notini produces one of the finests bands in the vicinity.

Business Education

Betty Kelly, Louise Gansler, Claire Ricard, Judith Hamm, Charlene Sarris, Patricia Bean, and Martha McNulty.

The Business Education Department, under the direction of Mr. Edward J. Sullivan, is efficiently run by a small group of seniors and a junior girl. In addition to their secretarial duties, the girls control the inventory and fill the orders of teachers for notebooks, paper, and other supplies.

The pinnacle of scholastic achievement at Lowell High School is to be chosen as a member of the National Honor Society. Founded in 1927 under the supervision of Miss Helen Choate, and ably guided for so many years by the late Mr. Charles D. Foley, it is presently under the auspices of Mr. John P. Leary.

Each year all those Juniors who rank within the highest 5% of their class, and those Seniors who rank with the highest 15% of their class are inducted into the Society.

The watchwords of the Society are Character, Scholarship, Leadership and Service. Every member has lived up to these principles for three years, and probably will do so for the rest of his life. The aim of the members of the National Honor Society is not only to be great, but good as well.

Best of luck

Mr. Thomas Murphy, faculty advisor, has been the guiding light in developing this infant organization. Through his efforts and the efforts of the members, the Council is steadily advancing toward a goal of better representation of the student body.

A student council is an asset to any student body. As we begin to know more about the council and its activities, we hope to continue to gain for students the privileges they desire and deserve.

Book Room

At the beginning of the school year, Mr. Francis Reardon appoints girls from his homeroom to work in the bookroom. These girls spend their spare hours in the bookroom keeping records of English reading and grammar books which are taken out. They also take inventory of all the English books which are in use throughout the school.

Reardon, the club members enjoyed a fruitful year in which the National Debate Topic was discussed twice: "That the U.S. should adopt the Major Principles of the British System of Education."

Besides the National Debate Topic the club considered many other interesting and controversial subjects. Presiding over this year's meetings were: David Gass, president; Peter Green, first vice-president; Magdalena Moriarty, second vice-president; Robert Schecter, secretary; Evan Chicklis, sergeant-at-arms.

Floormasters' Secretaries

Each year Juniors in the Secretarial course are chosen by Miss Mary V. Lyons to act as floormasters' secretaries for the coming school year. They are required to have good typing grades, a neat appearance, and shorthand efficiency. They cover such duties as typing, sending out tardy slips, recording books, and filing assignments.

In gaining practical experience which will aid them to prepare for future professional work, the girls spend their spare periods in offices of the floormasters.

Front: Frances Connolly, Karen Feeney, Judy Kowalski, Diane Poisson, Dorothy McCarthy. *Rear*: Marguerite Murray, Cathy Bushnell, Wayne Grant, Thomas Morrison, William Coughlin, John McAleer.

With pointed toes, flashing swords and perfect posture, the Girl Officers have once more gained admiration.

During the Junior year, the girls spend long hours perfecting their exercises. They are chosen by three out-of-town judges, on marching, dancing, posture, voice, and mass drill. Under the supervision of Miss Bawita Lawler, head of the physical education department, the seventy-two girls teach the underclassmen the gym exercises, and try to develop future Girl Officers.

The Halloween Dance and the annual Girl Officers Ball are some of the memorable moments shared by the Girl Officers.

Cooperative Retailing

On the twelfth grade level, the Co-operative Retailing course is available to physically fit seniors who are sixteen years of age or older.

To qualify for the course, excellence in scholarship, attendance, personality, appearance, conduct and interest is essential.

The Co-operative plan of combining in-school training for High School seniors with related practical experience on supervised jobs has been very successful. Students are in school in the morning, and during the afternoon are on supervised job replacements. Lowell Merchants cooperate with the school in providing the training and supervision on the jobs.

Two personnel directors from our local stores interview prospective students at the end of their Junior year. Their previous high school record plus the personnel director's rating determine which students are acceptable for employment.

This department is under the supervision of Miss Claire A. Quigley, teacher coordinator.

Alice Beaudry has done fine work on covering new books, replacing damaged covers, typing book cards, printing call numbers on labels, pasting and mending books.

Special Chorus

Special Chorus personnel are auditioned at the beginning of each school year and vacancies are filled to replace those who have graduated the previous June. Special Chorus sings at all assemblies and at the graduation. The Northeastern district music festival (in May), is anticipated with much enthusiasm by each chorister. Sight-reading, holding a part, and enthusiasm are a few of the requirements for Special Chorus members.

The Music Department has this year added courses in Music Appreciation and Music Theory. Special Chorus and A Cappella Choir are a vital part of the Department. The school show in November, all the assemblies, Music Festival, and graduation keep the group busy constantly. But they love it!

For seventy-two years there has been a "Review" each month at Lowell High School. Starting as a small newspaper, then as a magazine, and for the past eighteen years in its present format, the paper has been produced by a carefully selected staff which represents the entire student body.

Under the direction of Miss Anna M. Ryan, the staff is chosen from a long list of applicants. Especially active on the staff was Editor-in-chief Bill Lipchitz. One of the 1959 innovations on the paper was the election of Brian Egan as "Mr. Review."

Driver Education

Driver Education is still one of the most popular and interesting courses at Lowell High School. The classroom instruction is under the direction of Miss Rose O'Neil. While Miss O'Neil teaches the three C's which make careful, cautious and courteous drivers, Mr. Nicholas Apostolakas, Mr. Ray Riddick, Mr. Wyman Trull, Mr. Thomas Grady and Mr. Joseph Kulis direct the road training behind the wheels of our three school cars.

The complete course takes a year, adds a point toward graduation, and reduces insurance rates on family cars. The success of Driver Education will prove itself in a future of fewer accidents.
